

10 PIECES DRILL BIT KIT

19017 JS | 888ZK5 GR

Mach-Blue® High Speed Steel (HSS) Drill Bits

High performance metal
and wood drilling bits for
demanding applications

UP TO **8X FASTER**
than Titanium drill bits

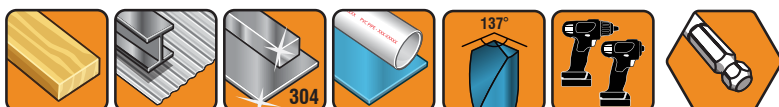

UP TO **100X MORE HOLES**
than Titanium or Black Oxide drill bits

Mach-Blue® 10pc Kit Includes:

1/16" (1.6mm)	3/16" (4.8mm)
5/64" (2mm)	7/32" (5.6mm)
3/32" (2.4mm)	1/4" (6.4mm)
1/8" (3.2mm)	5/16" (7.9mm)
5/32" (4mm)	3/8" (9.5mm)

Spyder® Stinger™ high speed steel (HSS) drill bits are ideal for drilling wood with nails, stainless steel, mild steel, aluminum, stacked materials and other tough to drill alloys.

The Mach-Blue® Armor Plated surface treatment and advanced M-Series alloy tool steel construction retains sharper cutting edges and reduces heat build-up for extreme durability and long life.
