

BUILDER BOARD™ WITH LIQUID SHIELD®

Roll out fast and flat to protect surfaces with Builder Board and make jobsite protection even easier.

Builder Board replaces the need for bulky sheets of Masonite and with the use of Liquid Shield® technology, Builder Board is spill resistant. It defends against water, paint, mud and more. Builder Board is also recyclable and available with co-branded printing to promote your business. Builder Board allows curing floors to breathe, preventing cure marks and promoting even finishes.

HEAVY-DUTY

REUSABLE

LIQUID SHIELD®

RECYCLABLE

BREATHABLE

**TOUGHER
THAN THE
JOBSITE.®**

**MADE FROM
RECYCLED MATERIAL**
