

We Know Water.

NEW FROM OASIS AND GRAINGER!!

CONTACTLESS BOTTLE FILLING STATIONS

OASIS offers a variety of contactless coolers and bottle fillers. Our contactless products promote safe and hygienic spaces by helping to limit high-use contact points that can harbor dangerous pathogens.

Contactless Water Cooler with Contactless Bottle Filler

- Contactless infrared sensor activation on both cooler and bottle filler reduces germ spread
- VersaFilter III filter kit included (specified models) with NSF rated 4,750 gallon filter.
- Filter is up top in the bottle filler for easy filter changes with Oasis' exclusive Tilt 'N Tether
- Refrigerated models deliver 8.0 gallons of chilled drinking water per hour
- Waterways are lead-free in materials & construction
- Flexible one-piece water saver bubbler guard infused with silver based antimicrobial additive
- Stainless steel top and heavy-duty galvanized steel frame
- ADA compliant
