

HUSH PANEL™ CONFIGURABLE CUBICLES

Hush Panel™ Configurable Cubicles make it easy to build stylish, functional workstations — no tools required and no need to hire a contractor. With limitless layout options and a sleek, professional finish, you'll get the custom look you want — minus the custom price tag.

HUSH PANEL™ CONFIGURABLE CUBICLES

HEIGHTS: 4' | 6'

WIDTHS: 2' | 3' | 4' | 5' | 6'

Configurations: 6'x6' | 6'x4'

HOW HUSH PANELS™ WORK

Design your perfect workspace in just a few simple steps. Select your preferred number of panels, posts, and optional windows — then slide them into place to create cubicle walls or privacy dividers in minutes. Customize your layout to match your space and style needs.

- **FLEXIBLE.** Lightweight, portable, and designed to adapt as your needs change.
- **DURABLE.** Strong aluminum construction with reinforced end panels for extra stability.
- **EFFORTLESS INSTALLATION.** No tools, no permits, no stress.

Need cable management? Add the electric channel option to keep wiring clean and contained.

HUSH PANEL™ CONFIGURABLE CUBICLES

CUBICLE POWER OUTLET

Connect your devices while keeping your office organized with the Cubicle Power Outlet. The versatile power receptacles feature a male and female end, acting as an extension cord connector to link Hush Panel™ Electric Cubicles together effortlessly. The openings are compatible with standard, low-profile electrical boxes and wall plates, further streamlining installation and setup.
