MEDICINE CABINETS

DELUXE *Series*

Our Deluxe Series medicine cabinets are fabricated from a rust resistant white baked enamel finish on 20 gauge steel. Full length piano hinges, 3/16" mirror, and tempered glass shelves ensure lifelong durability, beauty, and traditional style. These cabinets also meet criteria for stringent HUD housing and federal specifications without looking institutional.

Specifications: White baked enamel steel 20 gauge rust resistant bodies and doors.

Mirrors/Doors: 3/16" first quality plate glass. Doors are mounted on a full length piano hinge and are equipped with a magnetic door catch. Cabinets can be inverted in the field for right or left door swing.

Shelves: 1/4" adjustable tempered glass shelves mounted on locking adjustable aluminum shelf clips.

***See page 28 for the Deluxe Illuminated Series.**

TRI-VIEW *Series*

Our Tri-View Series medicine cabinets provide solutions for all your storage and styling needs. Three equal sized mirror doors open to a full size body with plenty of storage space. The doors open to provide you with a 180° view. These cabinets have a pan door construction and are mounted on self closing hinges that use the weight of the door as a constant force. This style hinge allows the door to pivot over the body of the cabinet, and allow six way door adjustment. These cabinets are equipped with rubber door silencer pads.

Specifications: White baked enamel 20 gauge rust resistant steel bodies, doors and shelves.

Mirrors/Doors: 3/16" first quality plate glass. Doors are mounted on self closing hinges that use the weight of the door as a constant force.

Shelves: Fixed white baked enamel steel shelves.

***See page 29 for the Tri-View Illuminated Series.**

SDL-2419

TRI-VIEW ILLUMINATED *Series*

Our Tri-View Illuminated Series medicine cabinets are crafted with an integral light strip and are fabricated with a rust resistant white baked enamel steel finish. This series is offered in a polished edge mirror. These cabinets have a pan door construction. Doors are mounted on soft close gravity hinges that close by using the weight of the door as a constant force. These hinges allow the door to pivot over the body of the cabinet and allow six way door adjustment. The cabinets operate without the use of magnetic closure, and are equipped with rubber door silencer pads. This series features a light strip built into the top of the medicine cabinet.

Specifications: White baked enamel steel 20 gauge rust resistant bodies, doors and shelves.

Mirrors/Doors: 3/16" first quality plate glass. Doors are mounted on soft close gravity hinges that close by using the weight of the door as a constant force.

Shelves: Fixed rust resistant white baked enamel steel shelves.

Lighting: Light strip is fabricated of 20 gauge steel and chrome plated to a high mirror finish. Hardwired integral light requires G25 base 40 watt bulbs.
(Standard or LED). Bulbs not included.

WASHROOM MIRRORS

ACCESSIBLE MIRROR *Series*

Our Accessible Mirror Series washroom mirrors feature both fixed tilt and adjustable tilt designs to accommodate any application. The functionality and quality design make these ideal for public restrooms.

Fixed Tilt Mirror

Specifications: Type 304 heavy 20 gauge stainless steel with satin finish. 3/16" number one quality electrosilver plate glass mirror. Galvanized steel backplate, fully welded and smooth edges for a seamless finish. Four slotted mounting holes complete with standard hardware and integral screw head lock. Mirror frame tapers from 4" tilt on top of mirror to 1".

Fixed Tilt Mirror

Stainless Steel Framed	Overall Size W x H x D
FTM-1630	16" x 30" x 4"
FTM-1836	18" x 36" x 4"
FTM-2430	24" x 30" x 4"
FTM-2436	24" x 36" x 4"

FTM-2430

ATM-2436

Adjustable Tilt Mirror

Specifications: Type 304 heavy 20 gauge stainless steel with satin finish. 3/16" number one quality electrosilver plate glass mirror. Galvanized steel backplate, fully welded and smooth edges for a seamless finish. Mounted on a full length piano hinge across the bottom edge of unit, with two heavy duty self-locking support brackets.

Adjustable Tilt Mirror

Stainless Steel Framed	Overall Size W x H x D
ATM-1630	16" x 30" x 3/4"
ATM-1836	18" x 36" x 3/4"
ATM-2430	24" x 30" x 3/4"
ATM-2436	24" x 36" x 3/4"

STAINLESS STEEL MIRROR *Series*

Our Stainless Steel Mirror Series washroom mirrors feature high polished stainless steel for a reflective mirror surface. Ideal for institutional, penal, high vandalized areas, food service, machine shops, and high traffic areas.

Specifications: Type 430, 20 gauge stainless steel with a bright annealed finish for use in high traffic areas. Mounting holes are 1/4" in diameter.

SSF-1620

SSF-1630

Stainless Steel Mirror

Model Number	Overall Size W x H x D
SSF-1014	10" x 14" x 1/16"
SSF-1620	16" x 20" x 1/16"
SSF-1630	16" x 30" x 1/16"
SSF-1824	18" x 24" x 1/16"
SSF-1836	18" x 36" x 1/16"
SSF-2430	24" x 30" x 1/16"
SSF-2436	24" x 36" x 1/16"

Note: Stainless steel mirrors reflect images in different quality than glass mirror. A slight distortion is an inherent characteristic of bright annealed polished stainless steel.

THEFT PROOF MIRROR *Series*

Our Theft Proof Mirror Series channel framed washroom mirrors feature a theft resistant mounting system. This series features a stainless steel channel framed mirror with either glass mirror or acrylic mirror options. This series is ideal for schools, public restrooms, and commercial use.

Theft Proof Mirror

Specifications: Stainless steel channel framed mirror 1/2" rolled formed channel frame with mitered corners. 3/16" thick electrosilver plate glass mirror. Heavy duty galvanized steel back plate welded in place, four slotted locking mounting holes for theft proof mounting.

Theft Proof Mirror

Model Number	Overall Size W x H x D
TPM-1622	16" x 22 1/4" x 1/2"
TPM-1824	18" x 24 1/4" x 1/2"
TPM-1830	18" x 30 1/4" x 1/2"
TPM-1836	18" x 36 1/4" x 1/2"
TPM-2436	24" x 36 1/4" x 1/2"

TPM-1622

TPMA-1824

Theft Proof Acrylic Mirror

Specifications: Stainless steel channel framed mirror 1/2" rolled formed channel frame with mitered corners. 1/8" thick shatter resistant acrylic mirror. Heavy duty galvanized steel back plate welded in place, four slotted locking mounting holes for theft proof mounting.

Theft Proof Acrylic Mirror

Model Number	Overall Size W x H x D
TPMA-1622	16" x 22 1/4" x 1/2"
TPMA-1824	18" x 24 1/4" x 1/2"
TPMA-1830	18" x 30 1/4" x 1/2"

Note: Acrylic mirrors reflect images in different quality than glass mirror. A slight distortion is an inherent characteristic of an acrylic faced mirror.

Product Care

At Ketcham we want your mirror/medicine cabinet to maintain the same beauty and functionality as the day it was installed. Following these cleaning instructions and using the approved cleaning solutions will keep your mirror/medicine cabinet bright and beautiful throughout its lifetime.

These mirror products require special care. Use a damp cloth to clean your mirror. Do not use any abrasive material as it may damage the surface and finish of the mirror. When cleaning, spray the cloth, not the mirror or surrounding surfaces. Mild detergents like vinegar solution and water are recommended.

DO NOT clean your mirror/medicine cabinet with any knives, scrapers, emery cloth, scouring sponges, or abrasive materials.

DO NOT use alkali or acid cleaning solutions, as this will severely damage the mirror/medicine cabinet.

Ketcham Quality Guarantee

At Ketcham we produce quality products, as such we stand behind our entire line. Please read below for our Ketcham Quality Guarantee.

Ketcham products are guaranteed to be free of manufacturing defects from one year after date of purchase. Any products returned under this guarantee will be repaired or replaced at no charge. Ketcham does not assume any liability for labor to remove or replace any products. Please contact your point of purchase to facilitate any warranty replacements within one year of date of purchase.

Mirrors are guaranteed against silver spoilage for a period of 5 years after purchase date providing the product care instructions have been implemented.

LED light strips built into the mirror are guaranteed to last for a period of 10 years or 50,000 hours after purchase date.

This warranty DOES NOT cover any products that have been subject to misuse, accident, negligence, improper repair/maintenance, or faulty installation.

FOR PROFESSIONAL CLIENTS:

Requests for warranty review products should be emailed for authorization to info@ketchamcabinets.com. Please provide supporting documents including photos, date of order, part number, and order number. Warranty claims will not be covered unless validated.

FOR HOMEOWNERS:

Please contact your point of purchase to facilitate any warranty replacements within one year of date of purchase.

Upon Delivery

Due to the fragile nature of our products the customer/consignee must inspect materials for damage upon receipt of goods. Within 24-72 hours of delivery, unpack and inspect your shipment. Should you discover a concealed loss or damage, contact us immediately to start a claim with the freight carrier. Make every attempt to leave the containers and packing materials as they were when you first discovered the loss or damage and please have pictures of the damages available to support your claim.

Installing damaged or broken material voids all claims for replacement and warranty. Do not install any chipped, cracked, or broken items as they may result in injury. Ketcham/Fred Silver will not be liable for any claims or replacement resulting in thereof.
