

- **DESIGNED FOR PROFESSIONALS**
- **BRIGHT NEVER BLINDING**

AVAILABLE THROUGH

GRAINGER
FOR THE ONES WHO GET IT DONE

Site Safety

- Reduce shadow/darkness at interior of camp
- Help reduce accidents, incidents, assault
- 360 degrees/omni-directional

Health & Comfort

- Significant reduction of noise pollution for sleeping, eating, focus hours etc...
- Reduced glare/eye strain with diffused lighting system

Product Integration to Site (Example)

Light Tower powered by deployment tent
700w Light Tower: 5.8 amps
Tent Power Distr. Box: 20 amps

Smart & Convenient

- Remote control adj. & coordinated syncing fleet
110v-240v / 50-60Hz international range
- Portable & easy to deploy

Military End User* Critical Needs

Safety

Volterrex lights are designed to create a safer operational (work) environment by providing comfortable, glare-free illumination, reducing eye strain and improving visibility in various work settings.

Security

By offering 360-degree illumination, Volterrex lights help enhance security, eliminating dark corners and hiding spots, and reducing the likelihood of security breaches or threats in the area.

Operational Efficiency

Volterrex lights save time during deployment with their highly portable design, setting up in seconds. They offer multiple mounting options, making them adaptable to all terrains. With minimal power consumption, they help save electricity for other uses and reduce fuel requirements for mobilization, storage, and replenishment. Their 50,000-hour lifespan means little to no maintenance is needed, making them cost-effective over the long term.

Mission Readiness

Volterrex lights are engineered for long-term performance, even after extended storage. Constructed with high-durability components, they boast a long shelf life and are always ready to deliver reliable lighting when needed.

** Soldier, civilian, contractor, etc.*

Visit Volterrex.com or contact your Volterrex account manager to find out how to purchase Volterrex lights and improve your worksite safety and productivity.
