Oasis Water Cooler Features

All Oasis Water Coolers Include:

- 3 year warranty
- Heavy duty components for more cold water in high use environments.
- Heavy duty polyethylene cabinet is more dent and rust-free; better for warehouse/commercial locations.
- Tri-Temp (Hot, Cook 'n Cold) or Dual Temp dispense offers a better employee or customer experience. Ice cold, room temp or piping hot water for soup or hot beverages.
- WaterGuard® 7
 - » Eliminates spill hazards (crucial in a warehouse or office environment) during bottle changes, prevents spillage from leaking bottles.
 - » Air filter captures dust and particles (important for commercial/warehouse locations where a lot of dust and exhaust is stirred).
- Heavy duty polyethylene cabinet – stronger and more durable.
- Stainless steel reservoir
- Serviceable for cleaning/repair
- Parts availability
- UL listed
- Certified to NSF/ANSI 372 for low lead content

** If filtration is desired, use Galaxi Filter Kit (Grainger item 386NN0). **

GALAXI FILTER KIT

OASIS GALAXI FILTER KIT:

Model #: 038151-001

Grainger #: 386NN0

- Use with Oasis Plumbed Water Coolers
- Compatible with almost all water appliances including under sink filtration systems, coffee machines, refrigerators, drinking fountains, and POU water coolers
- Filter kit Includes all parts and tubing needed to install
- Filter kit includes Galaxi Filter Media
- **For additional replacement filters, order Grainger # 386NM9**

Galaxi Replacement Filter

Model #: 037116-102

Grainger #: 386NM9

- Performs as a sediment filter and a carbon block filter in a single cartridge
- Removes CTO (carbon, taste and odor)
- Reduces Lead and Cysts
- Capacity 3000 USG

Combines activated carbon with a cellulose-free synthetic fiber matrix. Performs as a sediment filter and a carbon block in a single cartridge. Removes CTO, has dirt-holding capacity with a reduced risk of blocking, prevents carbon fines from being released into the water stream, reduces lead and cysts. Capacity - 3000 USG.
