EX. TRAFFIC CONTROL & PUBLIC SAFETY

**PICTURED: 42,000 LUMEN/
300W LIGHT TOWER KIT**

VT-300W-G2 (GR# 857DT5)

Volterrex's LED lighting products are designed for Commercial and Industrial Construction Companies and Tradespeople that need highly effective worksite lighting. Our rugged, premium products provide a safer and more productive worksite.

We do this by utilizing proprietary technology to provide comfortable and clean glare-free light you can actually work around without the blinding intensity of most LED and Halogen work lights currently on the market. Additionally, the Volterrex lights bring surfaces into sharp focus, illuminate details and reveal flaws helping to deliver better results.

Visit Volterrex.com or contact your Volterrex account manager to find out how to purchase Volterrex lights and improve your worksite safety and productivity.

“

Our Traffic Control Officer serves our Community every day directing traffic in a congested three-way intersection that is poorly illuminated by streetlights. The Volterrex product is bright, but not blinding, to make our TCO visible to on coming drivers. The Volterrex unit is lightweight, super easy to assemble and put away. Our site TCO loves the light and if my Officers are happy with a product, I am happy too.

- Office of the Barrington Police Department, Barrington, Illinois

13,000 LM

BATTERY POWERED LED
BALLOON WORK LIGHT KIT

7,500 ft²

**100
watt**

PRODUCT SPECIFICATIONS

⦿	Total Wattage (W)	100W
⦿	Voltage (V)	D 48V (40V-56V)
💡	Lamp Life (Hrs)	50,000 Hrs
🌡	Color Temperature (Kelvin)	5,000K
⚙	Luminous Flux	13,000 Lumens
💧	Ingress Protection	IP44

19,500 LM

LED BALLOON WORK LIGHT KIT

GR# 857DT4

11,000 ft²

**150
watt**

PRODUCT SPECIFICATIONS

⦿	Total Wattage (W)	150W
⦿	Voltage (V)	AC 110-240V
⚡	Operating Amps (A)	1.25A
💡	Lamp Life (Hrs)	50,000 Hrs
🌡	Color Temperature (Kelvin)	5,000K
⚙	Luminous Flux	19,500 Lumens
💧	Ingress Protection	IP44

42,000 LM

LED BALLOON WORK LIGHT KIT

GR# 857DT5

40,000 ft²

**300
watt**

PRODUCT SPECIFICATIONS

⦿	Total Wattage (W)	300W
⦿	Voltage (V)	AC 110-240V
⚡	Operating Amps (A)	2.5A
💡	Lamp Life (Hrs)	50,000 Hrs
🌡	Color Temperature (Kelvin)	5,700K
⚙	Luminous Flux	42,000 Lumens
💧	Ingress Protection	IP65
