

Stringliner PRO Reels

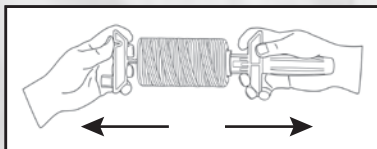

Stringliner Contractor Packs

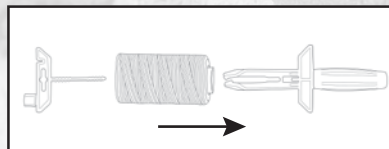

- 3 Rolls of braided mason's line - 250' each
& 1 reusable PRO Reel handle
- Patented line reel is made of durable polyethylene
- Fits all 1" line cores from 4" to 6" long
- Line secures in convenient notch
- Reload rolls of line easily
- Rewind using hand crank, or by using power screwdriver inserted into slot in bottom of handle
- Braided #18 nylon is more durable and resistant to abrasion than twisted line
- Bright fluorescent color

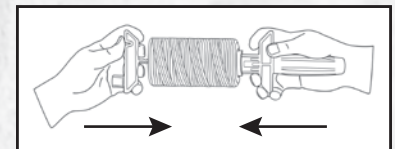

How to refill PRO Reel Handles

1. Grasp the top and bottom "shoulders" of the handle and pull apart.

2. Slide a new roll of mason's line onto the spindle

3. Firmly push the two pieces of the handle back together.
