

EDGE CUT KEYS

■ Speed 045 Manual Operation

**Grainger Part #
52HN53**

Speed 045 is an ideal basic duplicator that is designed with features that any user will readily appreciate. The open style, safety details and operational features make this model a choice model for store or shop. The included mounting bracket makes it an excellent choice for mobile use.

- Rotating, four sided, nickel plated jaws for clamping most edge cut type keys
- Slotted jaw surfaces accommodate tip stop bars
- Rigid shoulder gauge
- Wide 3 1/2" (88.9 mm) spacing between clamps accommodate large bow (head) and long blade keys, including flip style keys
- Depth tracer system with micro adjustment for precise calibration in increments of 00098" (0.025mm)
- Electro-magnetic "main" safety switch with a separate cutter motor switch for easy access.
- Large transparent cutter safety shield with storage area for accessories
- Large drawer-type swarf (chip) tray under the carriage for easy access
- Counter mounting bracket included
