

SURFACE SLEDS™ CARPET AND HARD SURFACES

Glide heavy appliances, furniture and other objects smoothly and safely across floors with Surface Sleds for hard surfaces and Surface Sleds for carpeting.

The extra soft bottom on our hard surface sleds prevents floor scratches and marks, while the thick memory padding on top provides ample cushion for heavy objects. Surface Sleds for carpeting is a breeze with the smooth plastic bottom and impressionable foam top of these specialized sleds. Our Surface Sleds are built to last and are formulated to be nearly unbreakable.
